WHY PODAR WORLD COLLEGE IS DIFFERENT?

- Strong academic focus at UOLIP, so a lot of learning
- Small teacher: student ratio
- You can always ask for help
- Deliberate opportunities for peer learning and peer review
- Globally recognised qualification

MY FAVOURITE UNITS

Organisation theory
Strategy
Elements of social and applied psychology
Financial management
Introduction to International Relations
Mathematics
Core Management Concepts

- Podar offers a range of very different learning opportunities.
- You'll hear the word multidisciplinary a lot, but you will understand it, once you graduate
- What you will learn
 - Articulation
 - Writing structure
 - Foundations of business
 - Theoretical frameworks and ideas
 - The use of those frameworks to real businesses
 - How markets work
 - Analytical skills

WORK TRAJECTORY AND SMALL MILESTONES

TIPS

- Read everything- books, journals, all of it
- Choose subjects based on your inclination, not popularity of the unit
- Be proactive, seek opportunities. College will support you
- Peer groups are super helpful, use them
- Don't wait until April. Study through the year
- Use commentaries to understand what the exam entails
- Participate in events, clubs and the college festival
